

## Webinar Survey 2012

Registrants to a webinar jointly sponsored by GuideStar and Orr Associates (now The Orr Group) were asked to complete a survey prior to the webinar, indicating from a list of 10 Generally Accepted Responsibilities of Nonprofit Boards, their Board's three weakest areas. Respondents were primarily senior staff members or Board leadership (i.e. officers).

A total of 987 responses were received. The results are summarized below. The total of responses exceeds 987 since organizations identified up to three weak areas.
